ITN Productions are making a new series looking at numerous aspects of the plus size community

We are looking to speak to people who have experienced discrimination or abuse in the past because of the weight and who are willing to talk openly about it.

We are also hoping to speak to people who are currently dating, engaged or are in a long term relationship.

Also if you are proud and confident in your skin - we want to hear from you!

Please get in touch as soon as possible on Rebecca.ingram@itn.co.uk / 0207 430 4317

Thanks!
